

Germs

can

live

on

our

hands.

You

cannot

always

see

germs.

Germs

can

spread.

Germs

can

go into

our

body

when

we

touch

our

eyes,

nose

or mouth.

We

can

pass

germs

to other

people

when

we

touch

them.

We

can

leave

germs

when

we

touch

things

like

toilet

handles.

       
Washing my hands can help stop the spread of germs

   
and keep people safe.

      
I will wash my hands when they look dirty.

      
I will wash my hands after I use the toilet.

     
I will wash my hands before I eat.

      
I will wash my hands after I sneeze, cough or

blow my nose.

      
I will wash my hands when I come inside.

    +  to    all of the

germs.

   the  +  my  +

 my  fingers.

   my  in  .

   dry my hands.

 will   the   +

   safe.
