

Art yearly overview EYFS-Y6 2024-25

Rationale:

Why have we chosen to include these art & design units?

All Kapow art & design units provide coverage of the National Curriculum. We have decided to retain the three units per year group that give the best overall skills coverage when combined with the design & technology units.

The art & design units have been given the titles drawing, painting & mixed media, sculpture & 3D and craft & design, to make skills progression within the spiral curriculum more easily identifiable. However, skills in art & design also flow *between* units and the curriculum has been designed to be holistic. For example, drawing skills appear in almost every unit; children may apply what they have learned about mixed-media to a task in a sculpture & 3D unit, and so on.
